## WORKSHOP

### “Community Planning - a multi-party road map”

ROOM AULA C35  
Friday – 15<sup>th</sup> of May 2015  
17:10 – 19:10

with participation of the local stakeholders, authorities, specialists in regional development

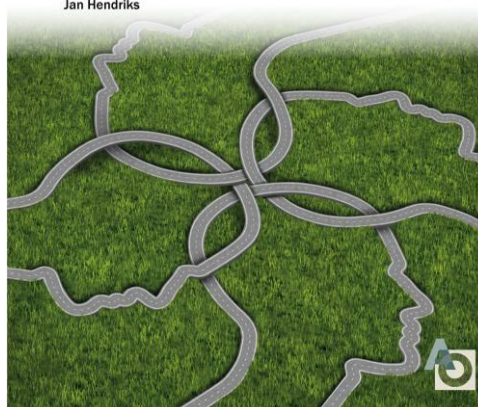

Moderator: Frans Grobbe Msc.  
AO foundation - The Netherlands

- 1. What is community planning in local governance and why consider this policy-making approach?**
- 2. Experiences in Moldova, Romania and The Netherlands.**
- 3. A proposal for a methodology: the multi-party road map.**
- 4. Relevance in your local practice of policy making? - a discussion.**
- 5. Presentation of the hand-out: Planificarea la nivelul Comunitatii.**

#### Planificarea la nivelul comunității

O foaie de parcurs multi-partenerială

Frans Grobbe  
Jan Hendriks

Potential benefits of the workshop for local and regional government representatives are:

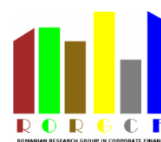

- Introduction of a practical methodology to enrich citizen and stakeholder involvement in your local planning, make better informed policy decisions, strengthen local capabilities and better address community needs.
- Strengthen the capabilities of local government to organize an effective community planning process.
